*Dear New Comer,*

*Welcome to Oasis Global Network!*

*We hope what you have chosen to be a part of will forever transform your ministry before God. By ourselves we can do very little but together we can change the world for the gospel of Jesus. Oasis Global Network is not another fellowship, denomination, or organization that wishes to control or manipulate. It is a network made up of newly planted churches, small churches, and house churches. We are here to give resources, encouragement, prayer, and support to your ministry regardless of size or format. We recognize that God is using all forms of church expression within these last days. Whether your church is in a building, on the street corners, on a beach or in a home, we are here to support you in anyway we can. Our goal is to partner with you and to help you fulfill the vision that God has placed with you.*

*The rest of this brochure will detail more what Oasis Global Network is about and what we have to offer to you and your ministry.*

*Once again thank you once again for being a part and we hope to spend more time with you in the future.*

*God bless,*

*Founder/Leader*

*Johnny J. Mengarelli*

*Oasis Global Network does not require financial contribution for those who are in the network but strongly suggest that all follow 11 Corinthians 9: 6-8. If we all contribute something then we can help each other when needs arise.*

**2 Corinthians 9:6-8** Remember this: The farmer who plants a few seeds will have a very small harvest. But the farmer who plants because he has received God's blessings will receive a harvest of God's blessings in return. (7) Each of you should give whatever you have decided. You shouldn't be sorry that you gave or feel forced to give, since God loves a cheerful giver. (8) Besides, God will give you his constantly overflowing kindness. Then, when you always have everything you need, you can do more and more good things.
